Crybaby

Is "AllThis" just about not filing tax returns?

One might think that I am such a crybaby about all of these adverse impacts on our lives except for the fact that they were deliberate criminal acts intended to cause as much harm to us as possible.

There never was an audit. We were always very complete in filing returns and they refused to audit us.

With regard to non filing, there was a lengthy 2 year court case about this, and they lost, ultimately agreeing that filing was not required and as a result of losing the court case brought against my wife(us) she/we are now owed the compensation specified in the court documents.

With regard to a lengthy list of criminal acts by the government, which they have already been shown to be wrong to commit and worse, to continue doing, I will not pay taxes on income that I did not receive and fraudulent assessments by the government does not change the facts.

"AllThis" is not just about filing tax returns.

The following is a summary from Kathleen as to how it went/goes..

“One must get the chronology right, AND THIS MUST BE CLARIFIED.

We were ***ABSOLUTELY scrupulous tax-payers, until I said:

If it's okay with the Ca nadian government to kill my child, rape my person, poison and kill our property and our animals, and STEAL AND PERVERT THE WORK OF MY HEART AND MIND [- WHICH EVENTUALLY, in LATE 2007, AND THROUGHOUT 2008- Ca gov UNDER harper ["economist" -and SOCIOPATH] TURNED INTO THE 'GLOBAL FINANCIAL CRISIS, AND THE INSTALLATION OF THE USURPER prezietint in the US...] I DON'T FEEL LIKE PAYING THEM TAXES...(We already paid in spades and they now owe us far more than we ever owed and paid them.) ONE GOTTA GET THE TIMING RIGHT ON ALLTHIS, BECAUSE WHEN Ca gov WAS SO FOOLISH AS TO TAKE ME TO COURT ***AND THEN THEY LOST*** AFTER TWO YEARS AND TEN VERY REAL COURT DATES, THEY OWE US THE MONEY THEY OWE US, AND THEY ARE NOT PERMITTED TO PRETEND THAT THE LAWSUITS I WON -WHICH THEY FORCED, AND THEY LOST- NEVER HAPPENED.”

The government and its agents have greatly enriched the Canadian economy based on the social and economic work of Kathleen, which was stolen and used without acknowledgment or compensation. Instead of acknowledgment and compensation we have been politically persecuted.

And you thought Lyndon LaRouche et al were the only ones politically persecuted?
(Railroad! U.S.A. Vs. Lyndon LaRouche et al. published by Commission to Investigate Human Rights Violations; First edition (1989))

The big difference here is that we have already won a lawsuit wrongly brought against her. We are owed the compensation specified in court documents. It has not been paid.

Does that make me a Crybaby?
